

## SSE Roller Ski Courses Summer 2013

Snowsport England will be running three roller ski training weekends this summer, located at cycle tracks in different parts of the country.

The events are:

- Saturday-Sunday 6<sup>th</sup> - 7<sup>th</sup> July, Hillingdon Cycle Circuit, Hayes, Middlesex
- Saturday-Sunday 24<sup>th</sup> - 25<sup>th</sup> August, Hetton Lyons Country Park, Co.Durham
- Saturday-Sunday 5<sup>th</sup> – 6<sup>th</sup> October, Salt Ayre , Lancaster

At each of these events you will improve your skiing technique (classic and skating), gain confidence for skiing, pick up loads of helpful training tips and just have a fantastic time. The courses are open to everyone, whether you are beginner, intermediate or expert; whether you are a tourer, a racer, a downhiller or whether you just want to try cross-country skiing.

We have assembled a first-rate coaching team and are hoping to run the following course groups at each event:

- Advanced - for those with or interested in attaining a four or five star proficiency award or skiing at this level.
- Intermediate - for those with or interested in a three star proficiency award or wish to ski at this level
- Beginners and Improvers group - for those with none or limited cross country/roller ski experience and are interested in progressing to one and two star level.

There will be the opportunity to be assessed for the SSE Nordic Proficiency Awards. Details can be found at: [www.snowsportengland.org.uk/proficiency\\_awards-1226.html](http://www.snowsportengland.org.uk/proficiency_awards-1226.html)  
Equipment can be hired if booked in advance on the booking form.

### **Applying for the course**

Each course is run separately by a different SSE Cross Country Ski Club so you will need to send the booking form to the designated course organiser for each course, as shown on the booking form.

We will try to assign you to the group of your choice, on a first-come-first-served basis as long as the application is accompanied by payment. You will be told before each course which group you will be in, but if your group of choice is full you may be offered a place in another group. **To ensure your place, please book early.**

### **What you will need to bring**

**Equipment** Bring your own roller skis, poles and boots suitable for skating and classic (unless you have pre-booked hire equipment).

**Clothing** (not your best gear). Wear something comfortable, layers are best and close fitting clothing makes it easier for your coach to analyse your movements. The use of **protective headgear (cycle helmet)** and knee and elbow protection is strongly advised. Bring waterproof clothing if the weather forecast is poor. **Gloves** are essential, but not too thick. A pair of trainers/running shoes may be useful for any 'dry land' exercises. Skiers in the advanced group may be interested in bringing a heart monitor if they wish.

**Refreshments** including lunch – bring your own.
